

Bridge School Malvern

Newsletter - Summer 1 - 2025

It's hard to believe this term has only been four weeks long—we've certainly packed in a lot. From exciting trips and creative projects to special events and visits, our pupils have made us incredibly proud with their enthusiasm and positivity wherever they've been.

We're also delighted to share some lovely news—congratulations to Bryony, who has welcomed a beautiful baby girl! We're all sending her our best wishes and lots of love.

Croome Court

A group of pupils from Sinfield recently had the opportunity to visit the stunning Croome Court as part of a creative writing experience. Surrounded by acres of beautiful parkland and rich history, the visit offered the perfect setting to spark their imaginations.

As they explored the grounds, pupils took in the peaceful scenery, absorbing the atmosphere and taking note of the many sights, sounds, and textures that make Croome such a special place. The visit included listening to ghost stories, which added a wonderfully spooky twist and got everyone's creative minds racing. We were incredibly proud of all the pupils for their fantastic engagement and look forward to seeing some of their work.

RHS Spring Garden Show

Our Level 1 Horticulture students enjoyed an informative and inspiring day at the Spring Garden Show. They explored the show gardens, engaged with exhibitors, and made the most of every opportunity to learn.

Throughout the day, they were fantastic ambassadors for the school, demonstrating curiosity, enthusiasm, and respect.

Saturday Cooking School

Our Saturday Cookery School is a fantastic opportunity to learn new skills and meet new people. Led by Jon, each session is packed with hands-on learning, delicious recipes, and plenty of fun in the kitchen.

Well done to J and his Nan, who produced some especially tasty soups and fresh bread last week—what a great team effort. The next session is in July, and we'd love to welcome some new faces. Come along and learn how to make street food.

Afternoon Tea and Chess Enrichment ♟️

Our chess afternoon began in the best possible way with a delicious afternoon tea prepared by two pupils as part of their project work. A huge thank you to M and J for their creativity and care in putting together such a lovely treat.

We were delighted to welcome Simon Berry from the Worcestershire Junior Chess Academy, who tested our knowledge with a lively quiz before inviting pupils to demonstrate their chess skills. The session called for deep concentration and strategic thinking, and our pupils rose to the challenge impressively. A fantastic community event.

Sculpture Day 🎨

Our very first Sculpture Day at Bridge School was a wonderful success. Pupils had the opportunity to work with natural materials, creating stunning willow structures and decorating them with vibrant coloured paper.

A huge thank you to Liz and Kate for sharing their artistic talents and guiding our young creators throughout the day. Their inspiration and support helped make the event truly special.

Home Grown 🥬

We are very proud to be able to serve fresh, tasty salads that we have grown, harvested, and prepared ourselves this half term. Well done to J for this wonderful spread.

Tractor Training Milestone 🚜

One of the exciting opportunities for our pupils who have recently turned 16 is the chance to learn how to drive the school tractor. It's been amazing to see students rise to the challenge and grow in confidence. A special well done to R, who overcame her nerves and should be incredibly proud of her achievement.

End of Term Dates

As we approach the end of term we want to make you aware of some important dates. You will receive further updates nearer the time:

27th June - Bridge Sports Day
5th July - Saturday Cookery School - Street Food
17th July - Whole School Boundless Malvern Trip
18th July - Y11 Leavers Ceremony

Important dates for your diary:

Half Term Monday 26th May – Friday 30th May 2025

Term last day Friday 18th July 2025

TE Day Monday 21st July 2025

What a fantastic Achievement 🏆

We are very pleased to announce that, for the fourth year running, we have achieved Gold in the School Games Awards!

This fantastic achievement recognises our continued commitment to sport, physical activity, and inclusive opportunities for all pupils.

We are very lucky to have a dedicated team of staff who work hard to organise and run a wide range of sporting events and activities throughout the year—thank you for your enthusiasm and effort.

Here's a selection of some of the brilliant activities we've taken part in over the past year.
